

ACTIONS

Student:

- Check observability of the system (with NEE as observation for example) in the noise-free case.
- Read more on the carbon cycle.

Supervisor(s):

Higher Degree Tutor:

At the Last Monitoring Committee meeting before the end of year 2 (full-time) or year 4 (part-time) please tick one of the two boxes below:

☐ Confirm continuation of PhD registration

☐ Transfer to MPhil registration

Committee:

Please remember to discuss possible examiners and cases for extensions to NERC studentships if appropriate.

Signed Jochem Broekas (Chair) 11.5.2014 (date)

(additional detailed comments may be added on a separate attached memo)

Optional comments by the student

I have read the completed Report Form

Signed E. Ki (Student) 11.06.2014 (date)

Your next monitoring point is:

Month/Year
